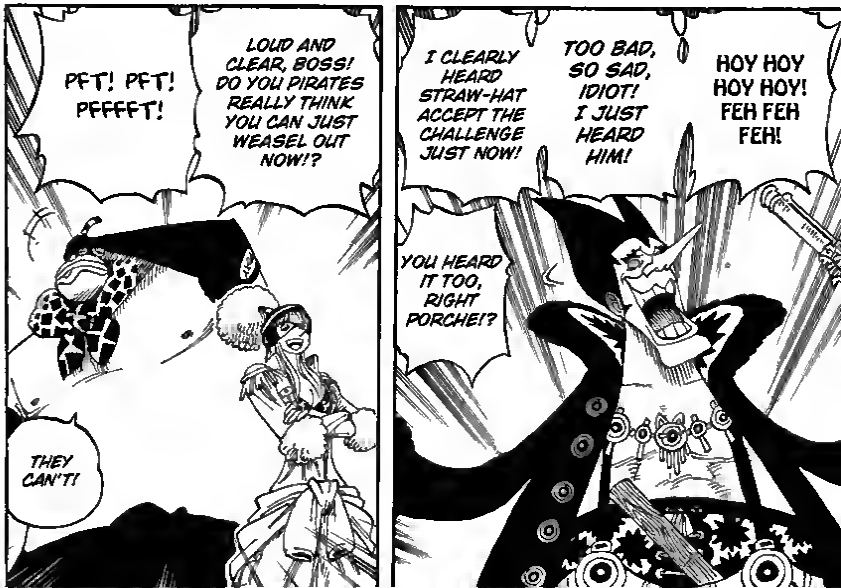
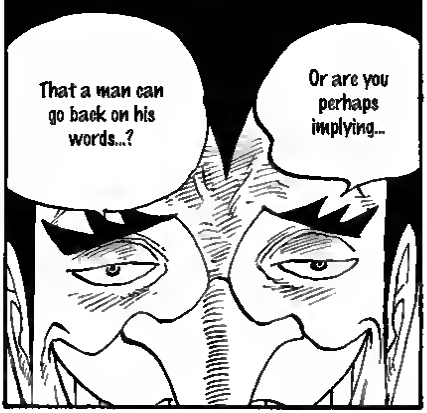
"Donut Race!!"

I SAID DON'T ACCEPT THEIR CHALLENGE TO THAT GAME!
ばんっ!!
What was that, Usopp?



PFT! PFT! PFFFFT!
LOUD AND CLEAR, BOSS! DO YOU PIRATES REALLY THINK YOU CAN JUST WEASEL OUT NOW!?
THEY CAN'T!
I CLEARLY HEARD STRAW-HAT ACCEPT THE CHALLENGE JUST NOW!
TOO BAD, SO SAD, IDIOT! I JUST HEARD HIM!
HOY HOY HOY HOY! FEH FEH FEH!
YOU HEARD IT TOO, RIGHT PORCHE!?

STOP FALLING FOR THEIR PROVOCATIONS!
OHH, HEEEELLL NO!
スパッ!!



That a man can go back on his words...?
Or are you perhaps implying...

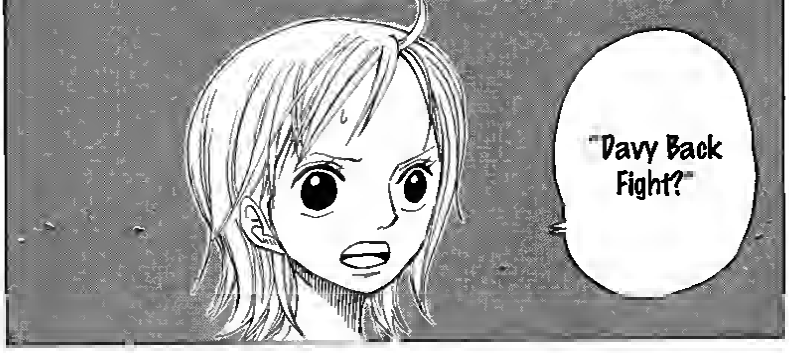
No, gramps!
I'M GONNA DO TO THEM WHAT THEY DID TO SHERRY!
MOVE OUTTA THE WAY!
ニゾッキーン!!

Don't worry, we'll get you well soon.
Sherry...
But they shot the horse!
NEIGH...

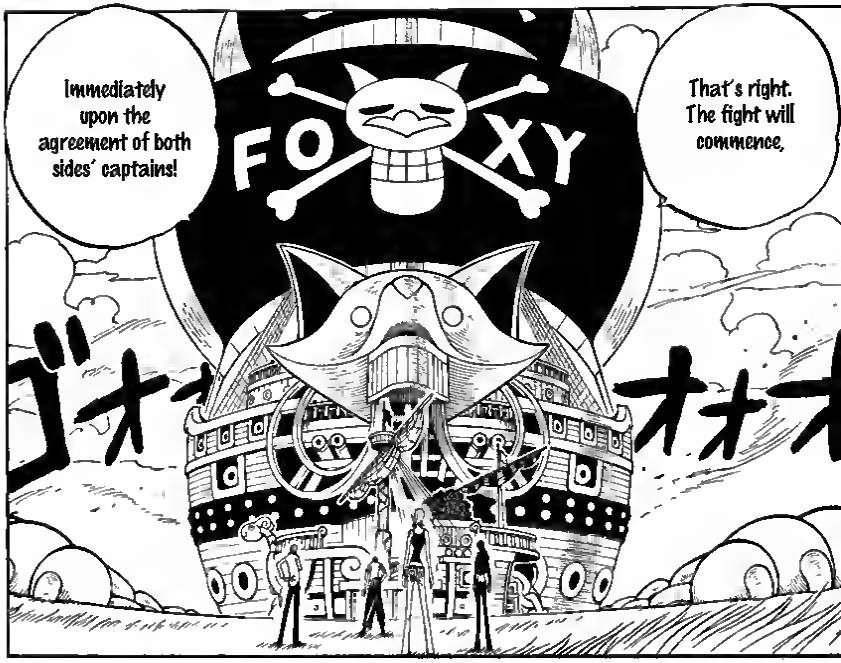
WAIT!
Gramps!
Those guys are pirates!

NEIGH..
Stay strong, I'm taking out the bullet now

HOW DARE YOU SHOOT THE HORSE THAT LOYALLY WAITED FOR ME FOR A DECADE!

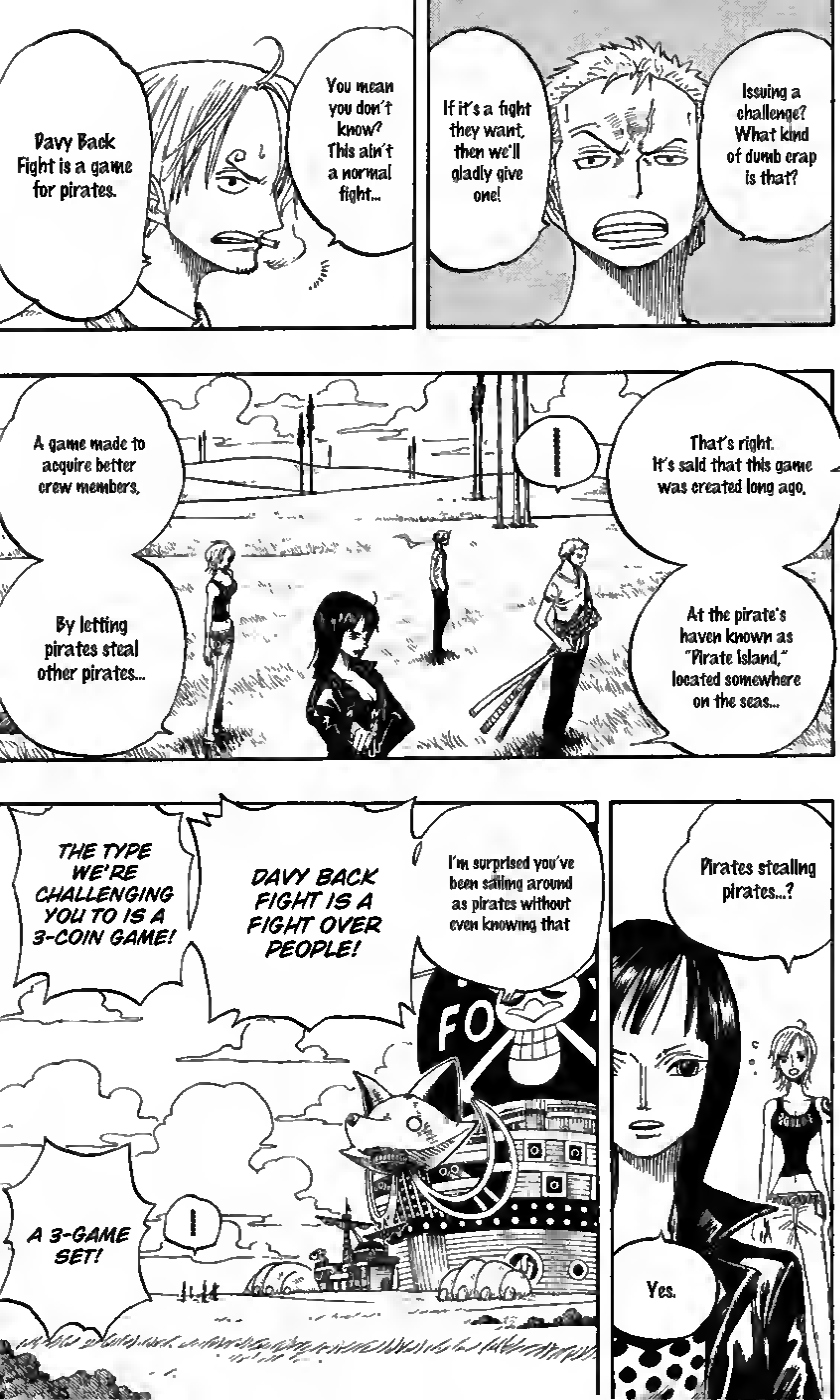


"Davy Back Fight?"



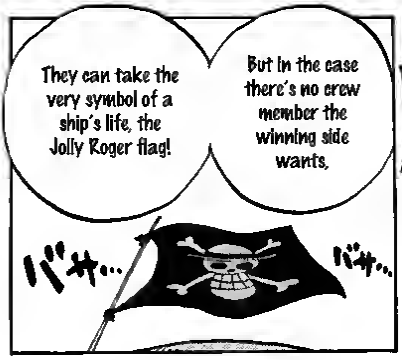
Immediately upon the agreement of both sides' captains!
That's right. The fight will commence,
FOXY

An official challenge!
Right now, our captain should be issuing to your captain, Monkey D. Luffy.

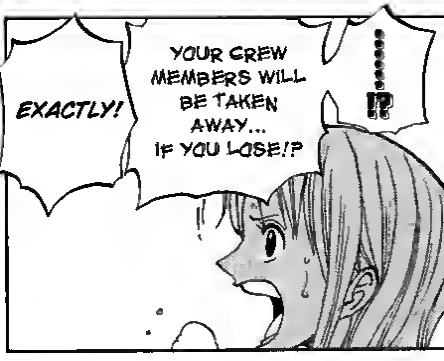


Davy Back Fight is a game for pirates.
You mean you don't know? This ain't a normal fight...
If it's a fight they want, then we'll gladly give one!
Issuing a challenge? What kind of dumb crap is that?
A game made to acquire better crew members.
By letting pirates steal other pirates...
That's right. It's said that this game was created long ago.
At the pirate's haven known as "Pirate Island," located somewhere on the seas...
THE TYPE WE'RE CHALLENGING YOU TO IS A 3-COIN GAME!
DAVY BACK FIGHT IS A FIGHT OVER PEOPLE!
I'm surprised you've been sailing around as pirates without even knowing that
A 3-GAME SET!
Pirates stealing pirates...?
Yes.

And that chosen crew member then has to immediately swear loyalty to his or her new captain!
Has the right to pick any one crew member from the opposing side!
The winning side in each game,
An oath of loyalty before the pirate of the deep seas, Davy Jones himself!

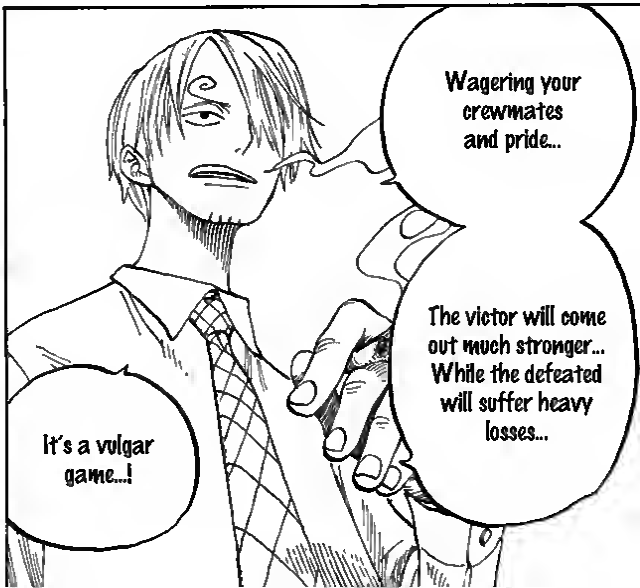


They can take the very symbol of a ship's life, the Jolly Roger flag!
But in the case there's no crew member the winning side wants,



EXACTLY!
YOUR CREW MEMBERS WILL BE TAKEN AWAY... IF YOU LOSE!?
!?

Then.. Could it be.. That one strangely helpless ship we passed by a short while ago...
Which had no sail,
Nor captain...

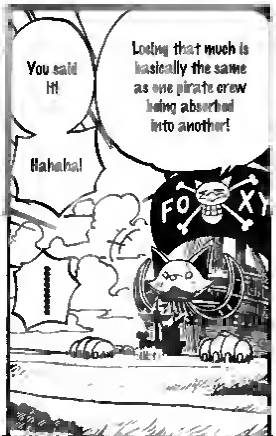


Wagering your crewmates and pride...
The victor will come out much stronger... While the defeated will suffer heavy losses...
It's a vulgar game...!

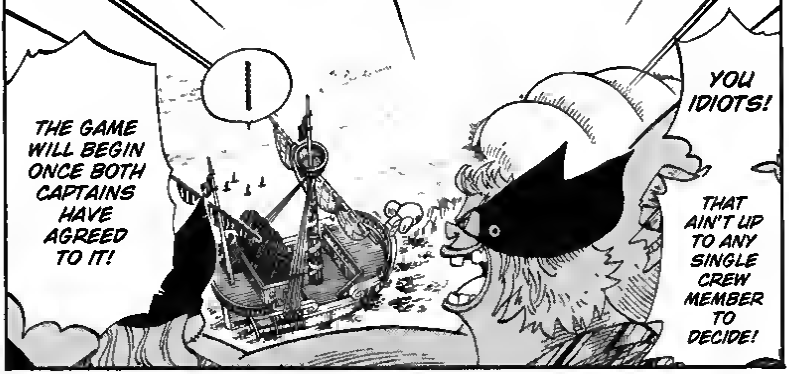
HURRAH FOR THE FOXY PIRATES!
Look! These guys are our new crewmates!
They were the most recent victims of the Davy Back Fight!
Oh, so you saw the Fanged Frog Pirates, did ya?

But we lost every single game! So 14 of us and our flags got taken away!
We played 5 sets of 3-coin games.
I WAS THEIR SHIP-WRIGHT!
I WAS THEIR NAVIGA-TOR!
I WAS THEIR DOCTOR!
I WON'T HIDE IT! I USED TO BE THEIR CAPTAIN!

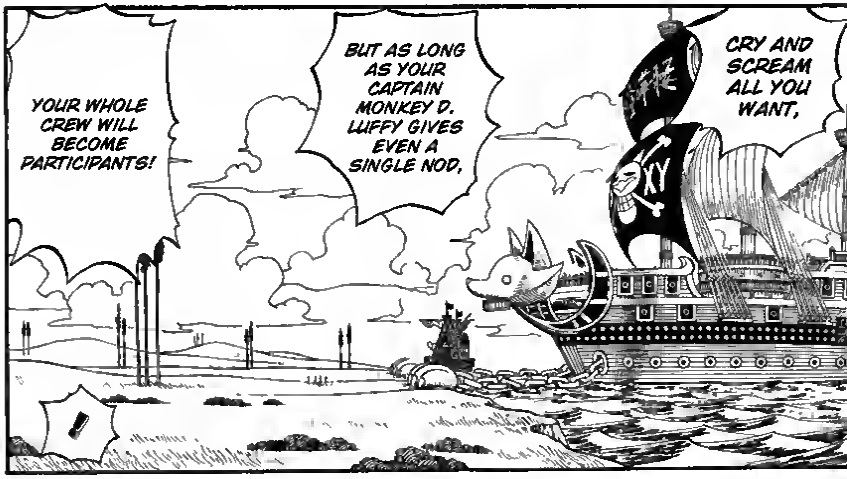
TO SUCH AN INSANE GAME!
...THIS IS RIDICULOUS! WE'D NEVER ACCEPT A CHALLENGE,



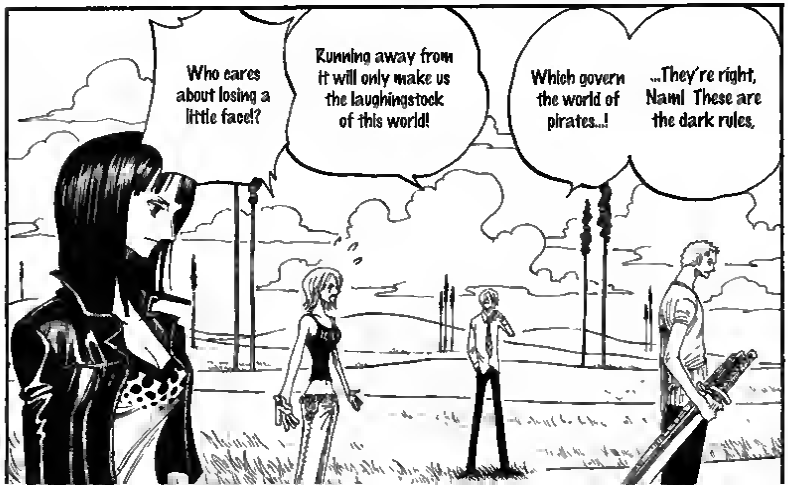
You said it!
Losing that much is basically the same as one pirate crew being absorbed into another!
Hahaha!



THE GAME WILL BEGIN ONCE BOTH CAPTAINS HAVE AGREED TO IT!
YOU IDIOTS!
THAT AIN'T UP TO ANY SINGLE CREW MEMBER TO DECIDE!



YOUR WHOLE CREW WILL BECOME PARTICIPANTS!
BUT AS LONG AS YOUR CAPTAIN MONKEY D. LUFFY GIVES EVEN A SINGLE NOD,
CRY AND SCREAM ALL YOU WANT,



Who cares about losing a little face!?
Running away from it will only make us the laughingstock of this world!
Which govern the world of pirates...!
...They're right, Nami. These are the dark rules,

It's useless!
As soon as both captains fire a gun, the game begins!
Oh, fine! Then we'll just have to stop Luffy!
Give it up... That's just the kind of creatures men are...
What's wrong with you two!?
Same here.
I'd rather die than to live in disgrace.
So just sit t-
AHH!?
ドーン!!
FOXY

Should be interesting..
Just like I wanted...
Ah well, looks like he accepted...
DON'T TELL ME...!

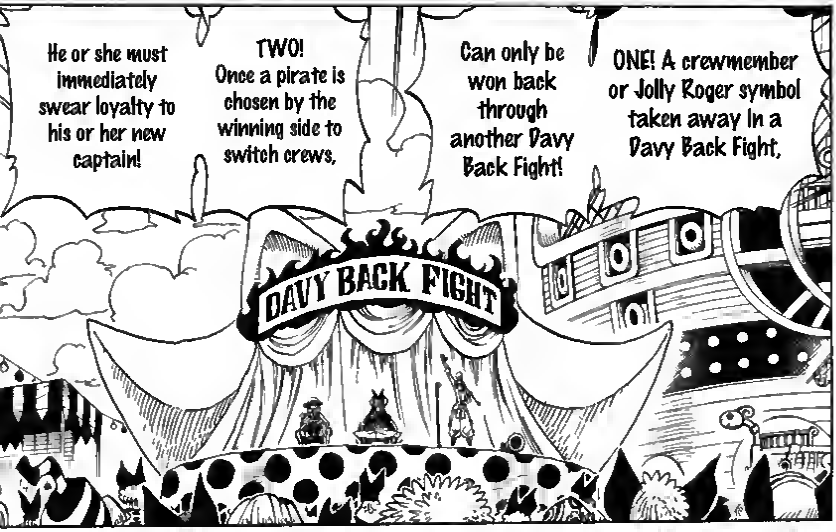
THE GAME IS OOOONN!
THE CHAL-LENGE IS ACCEPTED!

IDIOT!
IDIOT!
IDIOT!
FEEEEHH FEH FEH FEHH!
Aghh!
SLAP!!
Ooff!
SLAP!!
Ugh!

That's right! I'm gonna send your ass flyin'!
With that, the fight's been officially accepted!
Feh Feh! Go ahead if you can!
フェッ フェッ
All we have to do is not lose. What's the big deal. !?
WHAT THE HELL ARE YOU ACCEPTING THEIR CHALLENGE FOR!? DON'T YOU REALIZE HOW DANGEROUS THIS GAME IS!?
This is no laughing matter, Hamburg!
PFFT PFFT PFFT PFFT!
What was that for!? The boss is very sensitive, you know!
Boss!
SPLIT-HEAD...
SLUMP...
ず——ん
OH, YOU CAN BET YOUR SPLIT-HEAD THAT I CAN!
Luffy! I know you're mad on behalf of the old man and his horse but-
I'LL TEACH YOU A LESSON YOU'LL NEVER FORGET...!
JUST LEAVE IT TO ME!
YOU GUYS RECOVERED WAY TOO FAST!
Go avenge us, kid!
うおーっ!!
HEIGH!
グッ!

ドォン!!
ドン
ドォン!!
ヒュルルル…
わ〜
わ〜
Oh shut up! Why don't you quiet down!
The opening ceremony is now beginning! All attendants are asked to quiet down.
BANG!
We've got rum! Cheese biscuits! Salted meat! Yakisoba!
Who wants frankfurters!?
Gyaha haha!
わ〜
がや がや
FOXY
BOY
BACK FIGHT
All participants should make any needed preparations now
PUT UP THE ODDS!
HEY!
MEOW!
Give me two yakisoba.
Are these guys all the crew-mates of that split-head?
Whoa, look at all this fun stuff set up!
START THE GAME ALREADY!
There's so many people!

I will now state the 3 conditions concerning the defeated crew in each game!
DAV
BACK FIGHT
Alright, scallywags! pipe down!
Perona!



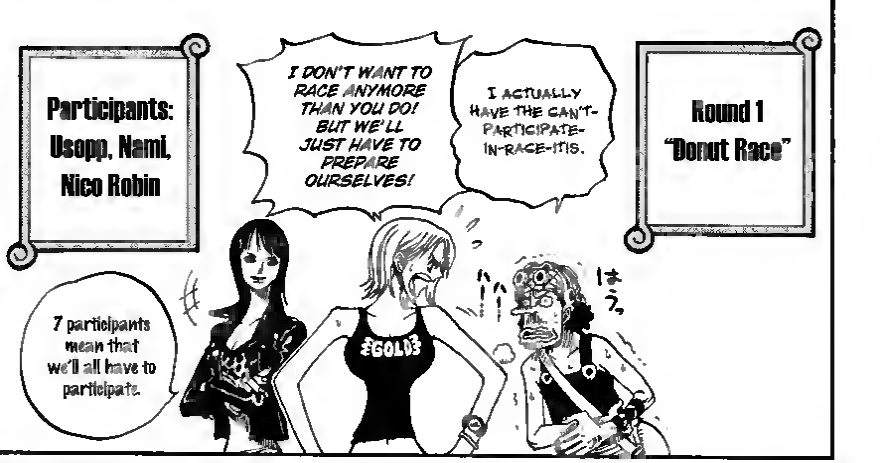
He or she must immediately swear loyalty to his or her new captain!
TWO! Once a pirate is chosen by the winning side to switch crews,
Can only be won back through another Davy Back Fight!
ONE! A crewmember or Jolly Roger symbol taken away in a Davy Back Fight,
DAVY BACK FIGHT

May any pirate who breaks any of these rules be shamed and offered to Davy Jones' Locker!
Do you swear to uphold these rules!?
Are you still grumbling?
Nami, I got you some cotton candy!
HOW CAN YOU GUYS BE SO CALM...
THREE! A lost Jolly Roger symbol cannot be raised again!

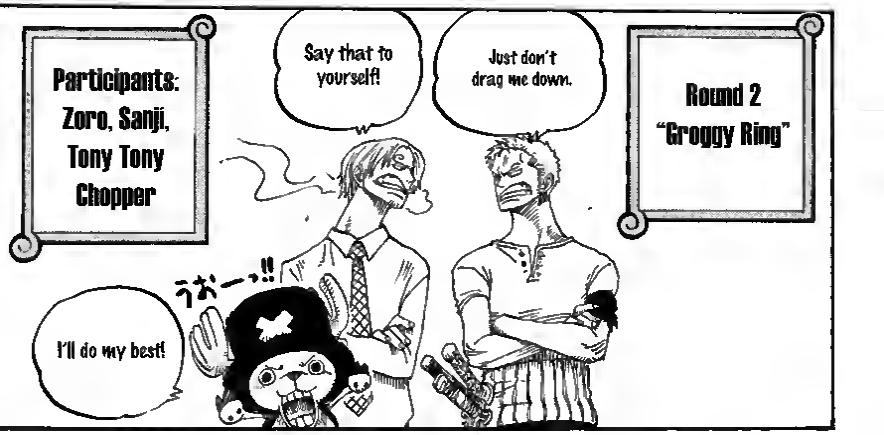
I SWEAR!
I swear.
Behold these coins!
わあああああ
OHHHH!
ビュン…!!
The start of an orthodox 3-coin game!
わオオオオオ
KAPLUNK!
I hereby proclaim to Davy Jones...

It's just a legend... All the ships and treasures that sink into the sea,
He lives on the ocean floor?
Are said to go to his locker, as he used to be a boatswain.
A cursed pirate from long ago who still supposedly lives at the bottom of the ocean.
Who's Davy Jones?
So it was named "Davy Back" in his honour.
This game is one where you can steal everything from your opponent.
Just like the cursed pirate Davy Jones who steals everything that sinks into the sea,
THE OCEAN FLOOR IS A SCARY PLACE!
Mmm! Sweet!
...MAYBE HIM!
Whooooooo should I pick?
Cook, doctor, and an archaeologist...
A captain, swordsman, navigator, sniper,
Feh feh feh...
YES, I'D REALLY LIKE TO HAVE HIM!
See anyone you like, boss?

Each participant can only play one game, and once your roster has been decided, it can't be changed!
It means a total of 7 participants for all 3 games!
Hey! You guys know the orthodox rules, don't ya?
Whoa, look at this crowd!
Yeah, we know so buzz off!
The game categories are a race, ball game, and physical combat.
WE DON'T NEED ANYONE FROM THEIR KIND OF PIRATE CREW!
Maybe we can get a shipwright if we win?
LOOK WHAT YOU'VE GOTTEN US INTO!
DAMN IT!
むにー!!
ALL WE GOTTA DO IS WIN!
WHAT DO WE DO IF WE LOSE? IT'S CLEARLY CAPTAIN USOPP THEY'VE GOT THEIR EYES ON.
This roster should do. I'll go hand it in.
NO, THAT'S ME SINCE I'M SO CUTE...
No, leave that game to me. My legs are itching for a good fight!
WHAAT!? NO, I WANT TO DO THAT!
I'll take the physical combat.



Participants: Usopp, Nami, Nico Robin
I DON'T WANT TO RACE ANYMORE THAN YOU DO! BUT WE'LL JUST HAVE TO PREPARE OURSELVES!
I ACTUALLY HAVE THE CAN'T-PARTICIPATE-IN-RACE-ITIS.
Round 1 "Donut Race"
7 participants mean that we'll all have to participate.
GOLD
ハー!
はう



Participants: Zoro, Sanji, Tony Tony Chopper
Say that to yourself!
Just don't drag me down.
Round 2 "Groggy Ring"
うおー!!
I'll do my best!

Participants: Monkey D. Luffy
BOOYAHHHH!
Round 3 "Combat"
うおおおおおおお!!!

Participants get just 3 barrels and 2 oars to make their race boat! Using any other materials will result in immediate disqualification!
ビーム!
Now, now! First up is the "Donut Race!" A boat race making one lap around the coastline of this island!
Now's the time for shipwrights to show their stuff!

I'll be commentating on the race from way above in the sky, as I ride on the Super Sparrow, a rare bird from South Blue!

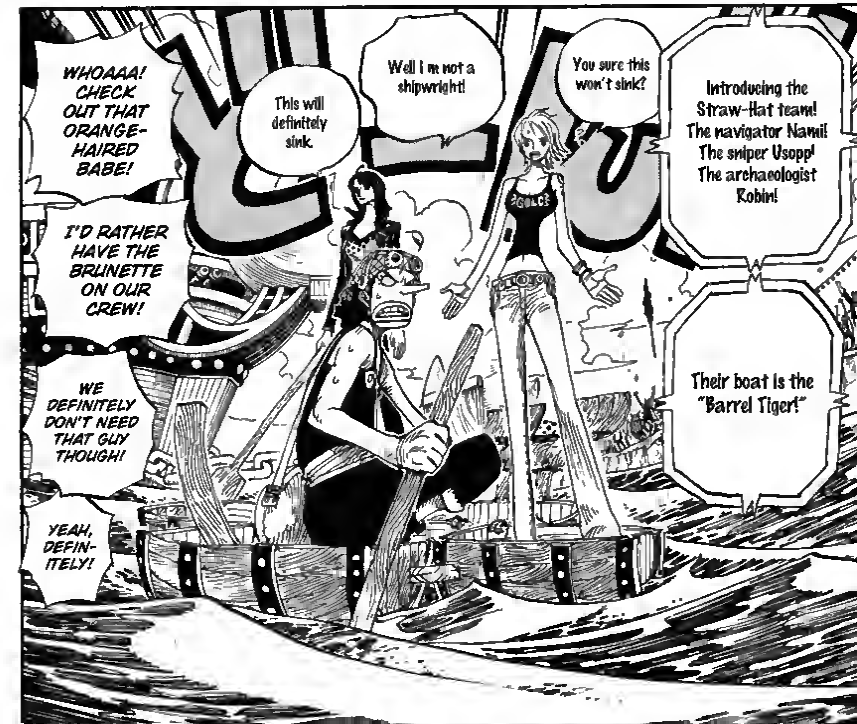
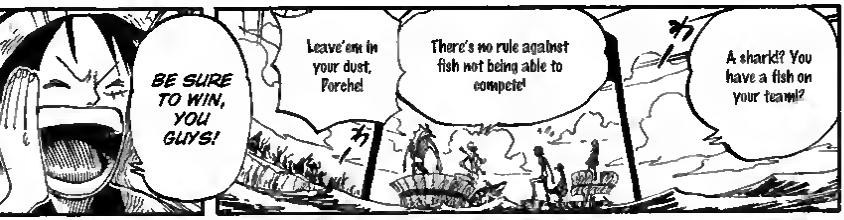
I, Hominizu, captain of the Foxy Pirates' Party Squad, will be your host for today's games!



WHOAAA! CHECK OUT THAT ORANGE-HAIRED BABE!
I'D RATHER HAVE THE BRUNETTE ON OUR CREW!
WE DEFINITELY DON'T NEED THAT GUY THOUGH!
YEAH, DEFINITELY!
This will definitely sink.
Well I'm not a shipwright!
You sure this won't sink?
Introducing the Straw-Hat team! The navigator Nami! The sniper Usopp! The archaeologist Robin!
Their boat is the "Barrel Tiger!"

Supporting her is the billfish fishman Capote! And the star shark Monda!
OOH! JUST LEAVE IT TO ME! ♡
Meanwhile, representing our Foxy Team is our idol, Porche!
This should be a cinch! Show them your stuff, team!
Their boat is the "Cutie Wagon!"



BE SURE TO WIN, YOU GUYS!
Leave 'em in your dust, Porche!
There's no rule against fish not being able to compete!
A shark!? You have a fish on your team!?

GO AHEAD AND TRY!
Teams! Please make your way to the starting line!
We're gonna sink you.

LET'S START THE SBS! ♡

Awesome! I gut to say it!♡ Sorry, Oda(T)!
-PN. President of the Friends of ONE PIECE organization-

O: Ughh... Adding so many hearts... But it's soooo cuuuuuteee I'll forgive youuu ♡
I was waiting since morning to start the SBS, but I'll forgiiiveeee youuuuu ♡

D: Hello, Oda-sensei. One Piece continues to make me laugh, cheer me up, and give me dreams. Thank you very much.

TAKE THIS! ODA!! (...sensei) "USOOOOPP! SPELL!" (DON!)

"Black ink spills over your completed manuscript!" SPLASH!
"All your assistants suddenly couldn't come to work!" EMPTY SILENCE!
"3 blank pages turn up in your finished manuscript after handing it in." FLAP...
How's that? -From Hokuto Volume Destroyer

O: IT WAS COMPLETELY INEFFECTIVE. COLLAPSE!

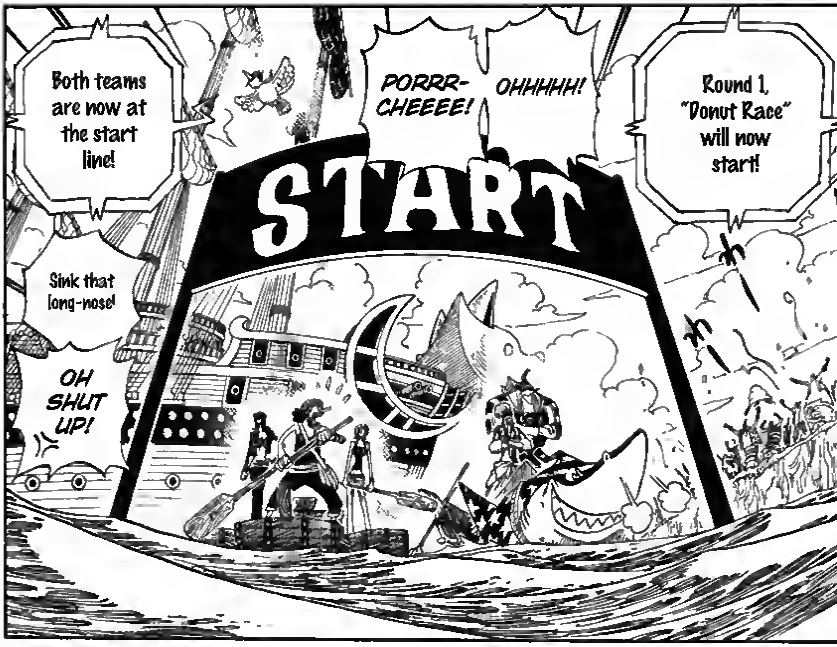
D: Hello, dear Oda-sensei who has a wonderful smile. I enjoy reading One Piece very much. By the way, i tried very hard... even having to skip meals... to find how many times Pandaman, the character that could even be said to be your cameo, appeared during the Sky Island arc.
And the result! Pandaman appeared...
DRRRRRRUUUUUMMM ROOOOLLLLL!
17 times! Am I right? by Hikari
D: Oda-sensei! I searched for Pandaman in volumes 5 to 31, and I found he showed up 92 times! Aim for 100! PN. Pandaman No.2

O: Well done, all of you. But I can't tell you the real answer. (← doesn't remember)

Chapter 307

"Readyyyyy Donut!!"

It's time for Davy Back's merciless game, where the victors dance and the losers drown!
わあぁあぁあぁあぁあぁあ
Alright then! Are you all ready!?



Both teams are now at the start line!
PORRR-CHEEEE!
OHHHHH!
Round 1, "Donut Race" will now start!

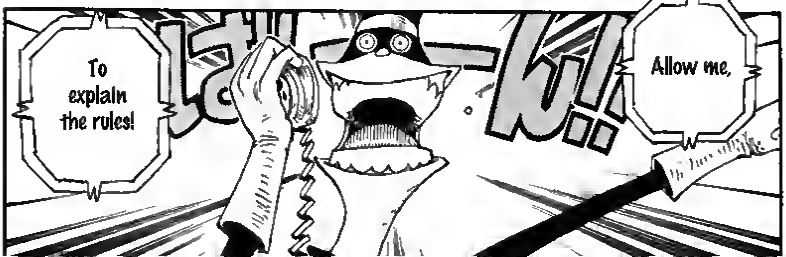
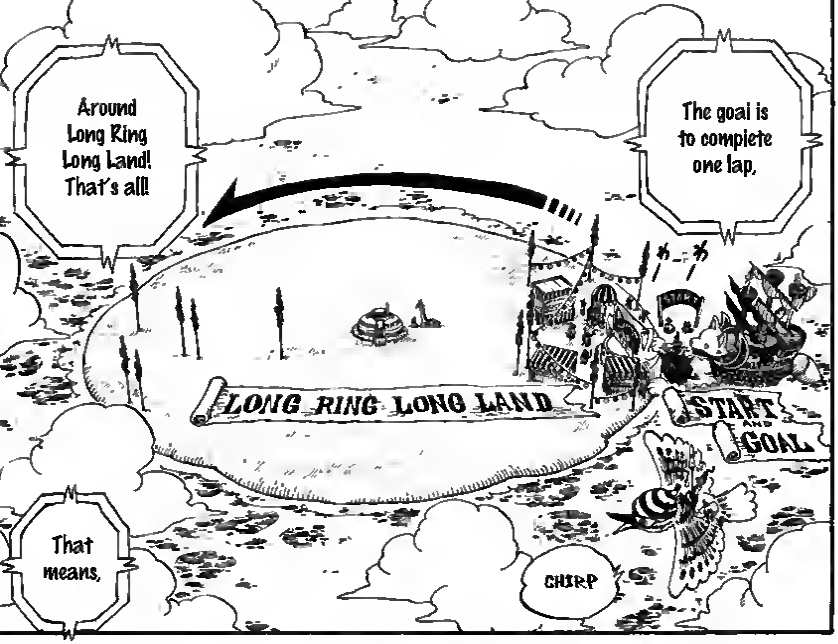
OH SHUT UP!

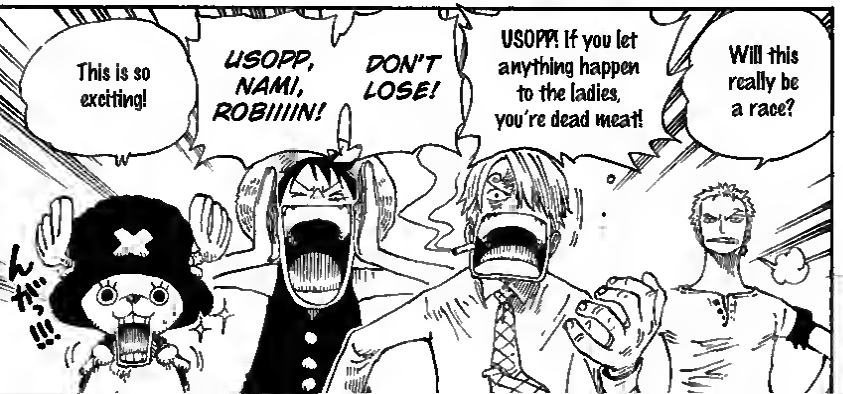


To explain the rules!
Allow me,



Around Long Ring Long Land! That's all!
The goal is to complete one lap.
LONG RING LONG LAND
START AND GOAL
That means,
CHIRP

Let any pirate who calls this unfair be shamed!
Use of pistols, cannons, explosives, cutlasses, or what have you are all fine!



This is so exciting!
USOPP, NAMI, ROBIIIIN!
DON'T LOSE!
USOPP! If you let anything happen to the ladies, you're dead meat!
Will this really be a race?
んが!!!

D'ya think this race will even last five minutes, Hamburg?
Feh feh feh! Morons...
We've yet to lose a single time in an orthodox rule-match!
PFFT! PFFT! PFFFFT! THEY'RE DOOMED!
They're free to say whatever they want. Let's sink 'em in three minutes flat, Porche.
Ooh! Look at them act tough!
Right, Monda?
SHAA!
It's fine to sink the other team's ship, isn't it?
THEN WE'RE IN IT TO WIN!
If we're in this race,
Yup. That's reassuring
CATCH!
An eternal pose to prevent racers from getting lost!
Now then, take this!
Getting lost?

When you can take the closest route by hugging the coast!?
Stray away from the island? Why would you take the long way around,
No! That won't do..!
I bid all racers good luck!
Please take care not to stray too far from the island.
CATCH!
ON YOUR MARK!
We've gotta get away from the island the moment the race begins!
Won't do...? Why not!?
SHA!
SHA!
GRIN...
BUT WHY!?
READY...
DONUT!

AND BOTH TEAMS ARE OFF!
MEANWHILE, THE FOXY PIRATE CREW HAVE BEGUN ITS OBSTRUCTION BARRAGE!
AGHHH!

STA
THE BARREL TIGER IS BLOWN ASIDE AND THE CUTEY WAGON TAKES THE LEAD!
Let's go, Monda!
SHA!

W-W-W-W,
WE GOTTA UPRIGHT THE SHIP OR WE'LL SINK!
THIS HAS TO BE AGAINST THE RULES!
How can the spectators be allowed to attack the racers!?
THIS...
WHA-
AGH! WHEW! WE DIDN'T CAPSIZE!
ガッポン!!!
Let's have some fun!
Ooh! Hope you don't sink too easily now! ♡
Ahahaha! Excuse us while we go on ahead!
Look, there's something flying towards us.
FEH FEH! SINK!
ゴ

オ…
A ROCK!?
ANOTHER ATTACK FROM THE SIDELINES!?

ROW!
What?
The same applies to us, doesn't it?
If they can get outside support..
I WON'T ACCEPT THIS!
Interference is natural in a contest between pirates! It's common sense, Nami!
GYAA!
WHAT THE HELL DO YOU THINK YOU'RE DOING TO NAMI AND ROBIN!?

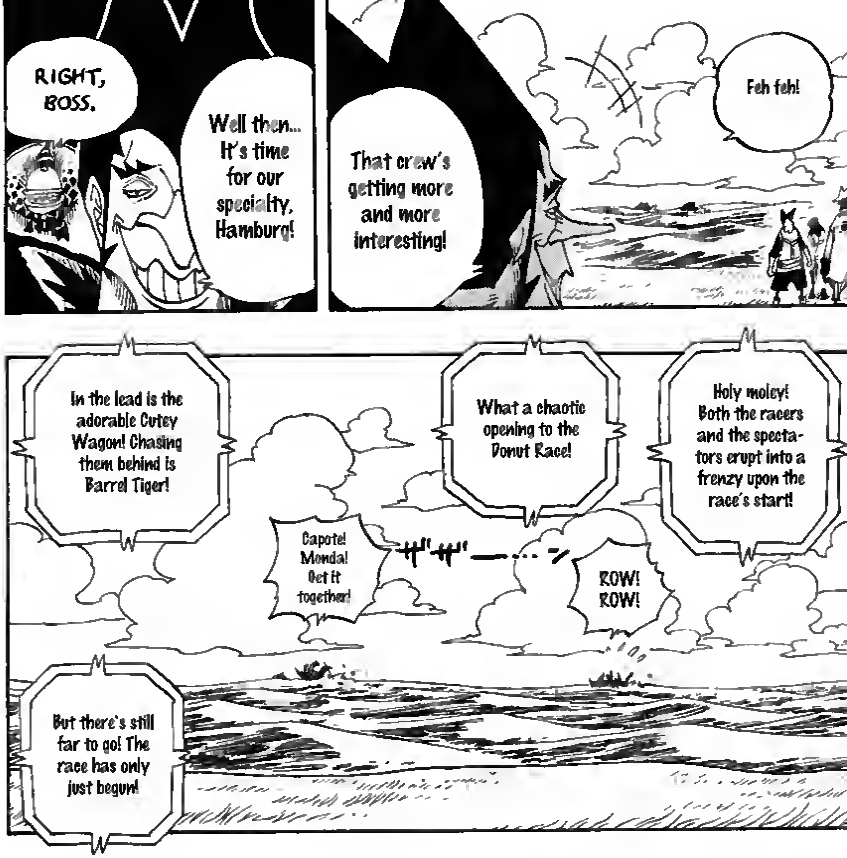
I'LL CRACK YOUR SKULLS, YOU BASTARDS!
AGHH!
SANJI!

Capote, show them your fishman karate.
Ha.
They already have a sizeable lead!
ALRIGHT, LET'S CATCH UP TO THEM!
OHH!
Let's quickly get away from the spectators!

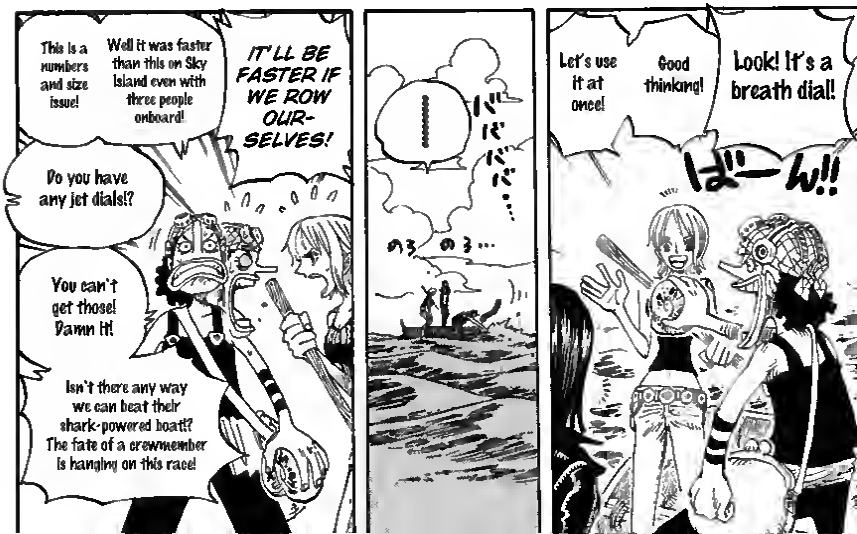
SEA SURFACE SPLITTER!

Our boat's been split! We're off balance!
AGHHH!
Fuhahahaha!
Useless!
FLICK!
FLAME STAR!
Dammit! Certain kill...
AGHH!
WHA!?
OCHO FLEURS!
NGHH!

It's that woman's doing!
Is she an ability user!?
Hey, look! Is that... A devil fruit ability!?
OOF!
"FLIP!"
SHA!
Oooh no, Capote!
YOU CAN DO IT!
HEY, LET'S GET MOVING.
ALRIGHT! GO, YOU GUYS!
DON'T ASK FOR THE IMPOS-SIBLE!
Usopp! Get out there and pull our ship by swimming!
Alright, now's our chance!



RIGHT, BOSS.
Well then... It's time for our specialty, Hamburg!
That crew's getting more and more interesting!
Feh feh!
In the lead is the adorable Cutey Wagon! Chasing them behind is Barrel Tiger!
What a chaotic opening to the Donut Race!
Holy moley! Both the racers and the spectators erupt into a frenzy upon the race's start!
Capote! Monda! Get it together!
ROW! ROW!
But there's still far to go! The race has only just begun!

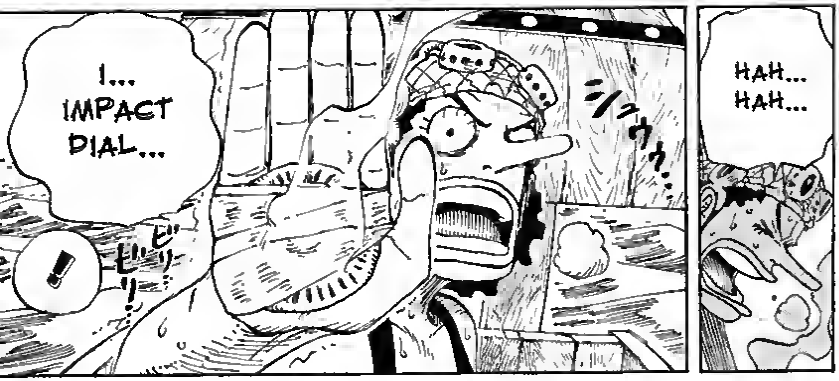


This is a numbers and size issue!
Well it was faster than this on Sky Island even with three people onboard!
IT'LL BE FASTER IF WE ROW OUR-SELVES!
Do you have any jet dials!?
You can't get those! Damn it!
Isn't there any way we can beat their shark-powered boat!? The fate of a crewmember is hanging on this race!
Let's use it at once!
Good thinking!
Look! It's a breath dial!
ぱーん!!

ROBIN! WHY'RE YOU READING A BOOK AT A TIME LIKE THIS!?
I am rowing, though.
In your dreams.
WE CAN'T LET THAT HAPPEN!
THEY'LL BE SURE TO SNIPE ME AWAY FIRST ON ACCOUNT OF MY CUTENESS.
THAT'S RIGHT. IF WE LOSE THIS GAME,
Just concentrate on rowing
GOLDE
What're you doing, Usopp?
A test.
Oh, I am rowing my hardest.
SHE'S RIGHT, ROBIN. IF YOU DON'T TRY YOUR HARDEST... SHE'LL PUMMEL YOU LIKE ME.
Well, sure your hands are moving but... But can't you at least look like you're-
You're unexpectedly good at giving excuses...
But I wanna get revenge on that woman!
I don't mind cruising across the finish line once in a while.
Or sink them at once?
Ahahaha... Should we cruise right into the finish line.
It'll feel like a bitter win if I just let her get away with tossing me around

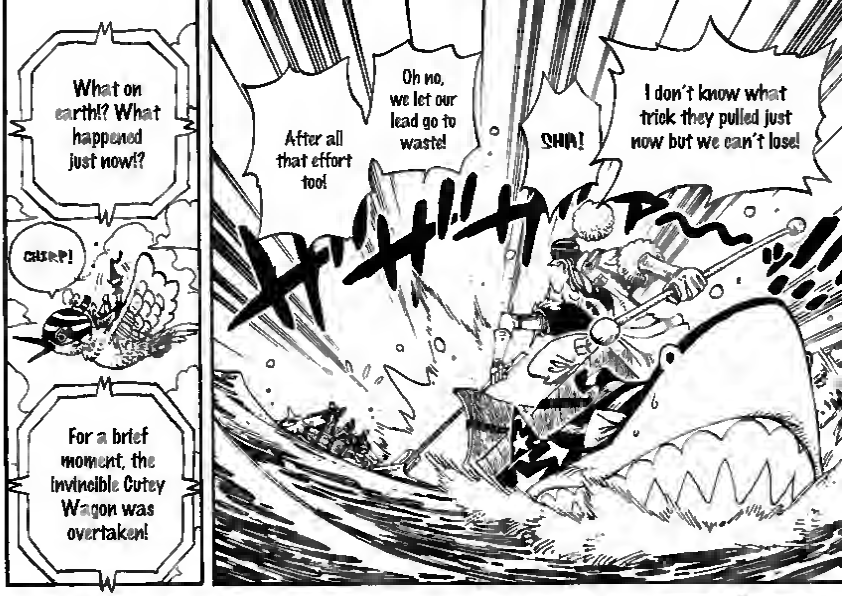
AAAAA AAAHH HHHH!
ボォン
Hm?
スーパーパワー
WHAT!?
AAAA AAAA AGH HHHH HHHH HHH!
W-
WHERE'D THEY GET SUCH SPEED!?
ﾋｭｰ
POHH...
They stopped

That was surprising. We've overtaken the lead.
MY... SHOUL... DER IS... DISLOCATED..
PANT... PANT...
Huff... Huff... Usopp, what the hell did you do!?
GOLD



I... IMPACT DIAL...
!
HAH... HAH...

MONDA! LET'S TAKE BACK THE LEAD!
SHAA!
That'll be useful!
That's amazing! We generated so much speed in an instant!
Ah! We need to row now if we don't want to let that boost go to waste!
I DIDN'T EXPECT SO MUCH FORCE TO COME FROM FIRING IT...
!
GOLD



What on earth!? What happened just now!?
CHIRP!
For a brief moment, the invincible Cutey Wagon was overtaken!
After all that effort too!
Oh no, we let our lead go to waste!
SHA!
I don't know what trick they pulled just now but we can't lose!

Well the race certainly has turned interesting! The best of luck to our Idol, Porche!
What the hell is Monda doing!?
どよよ~!
Porche was overtaken!?
It seems the Barrel Tiger has some sort of secret weapon that can generate tremendous speed for an instant!

Yes, that's great, Robin! Now we can take it easy.
Like this?
WHAT!?
GRAB!
But they won't get even close to us a second t-
Kahahaha! They had us scared for a moment,

GAH-
What a shame... They found out already.
DAMN YOU AND YOUR CHEAP TRICKS!
SNAP!
LET GO!
SHRINK
CAPOTE!
Keep absorbing and releasing impacts through the dial and we can win!
That dial is our only key to victory.
In any case, Usopp.
WHA!? BUT THAT SINGLE IMPACT JUST NOW DISLOCATED MY SHOULDER!
NNGAHHH! DAMN THAT WOMAN!
AAAAAA-
That does it. We're sinking them...
?
AAHHHH!
NO, THESE ARE MY ARMS YOU'RE TALKING ABOUT!
I don't mind if you sacrifice your body.
YOU DEMON!

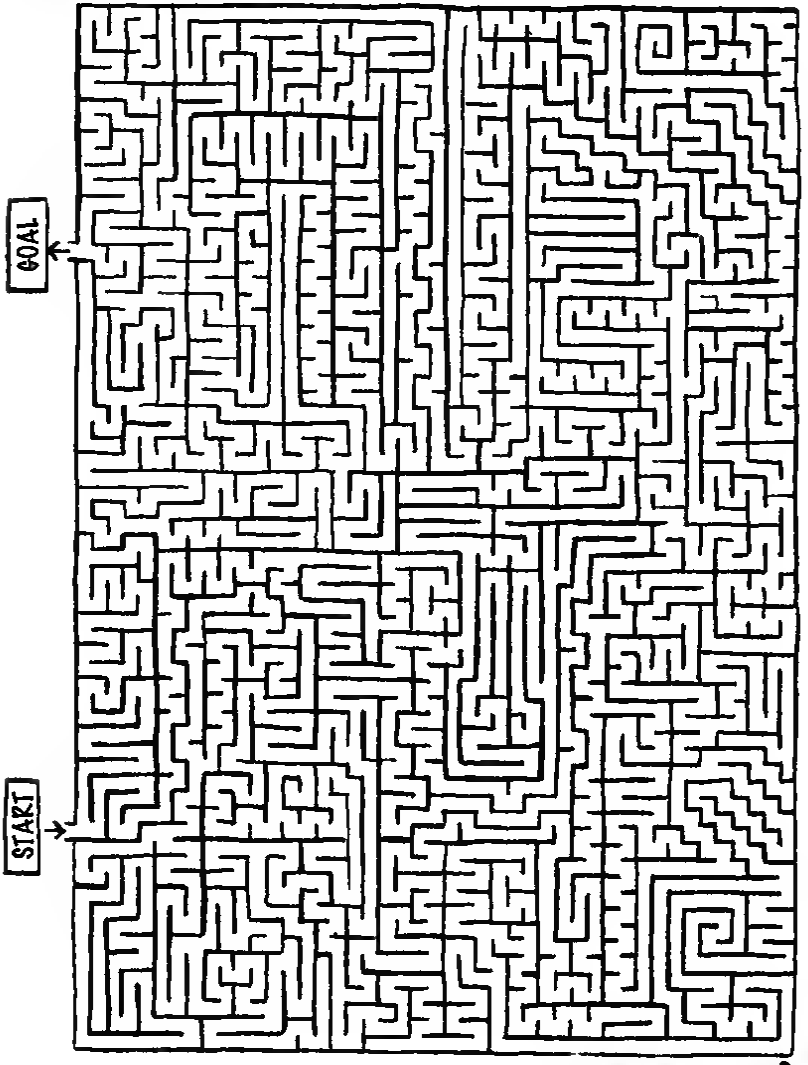
It's the Long Coral Reef!
And just past the reef are Long Cape and the Long Ring Whirlpool!
The most difficult section of the race-course is now before them!
!
How will both teams make it through!?
SHIN!
OHH!
Ahhh!
DASH
Hm?
Someone on the island shore!?
AHH!
Is that...!?

Riding on Hamburg, the four-legged dashing monster, he makes a grand entrance!
ばばーーん!!
BOSS!
The master of interference! Our infamous boss who allows no fair play!
The enemy captain!?
Ohhhhhh, he's making a terribly evil face today! He must have thought up some evil tricks!
This race is in the bag now!
It's the boss!
FOXY THE SILVER FOX!
ウオオオオオ…
SOMETHING EVIL.
I'VE THOUGHT UP...
BOSS!

P: I made a maze! If you reach the goal from the start, a certain word will apear. What could it be!?

PN. Zoro's Wife ♡

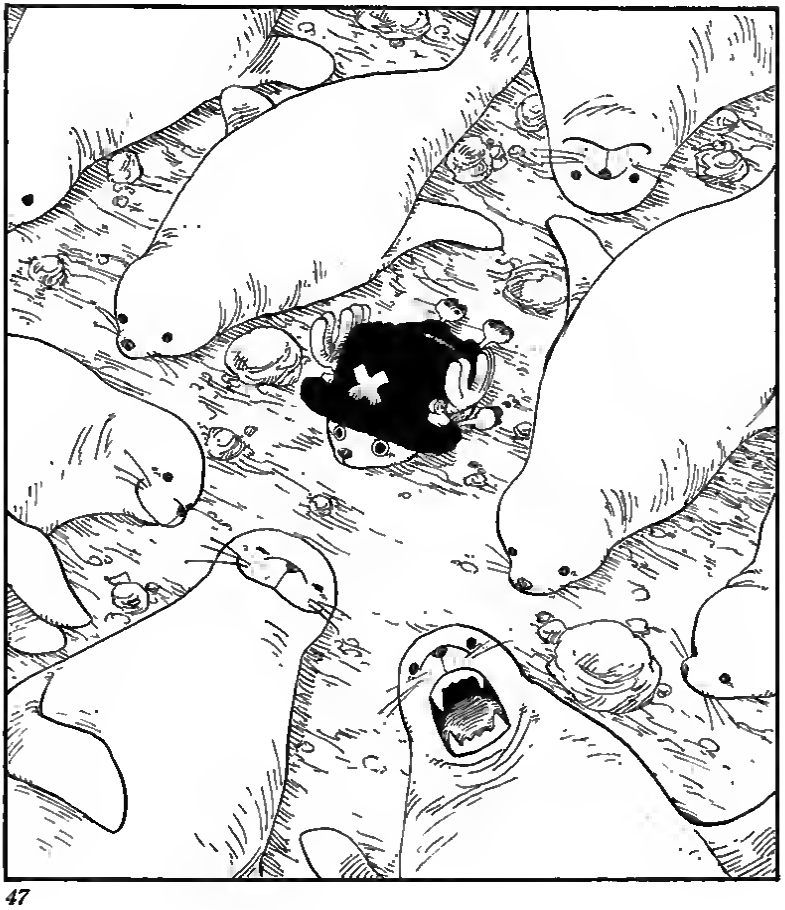
O: Thank you, Zoro's wife. Alright, get lost in the maze, readers!



Answer is on p. 146!

Chapter 308

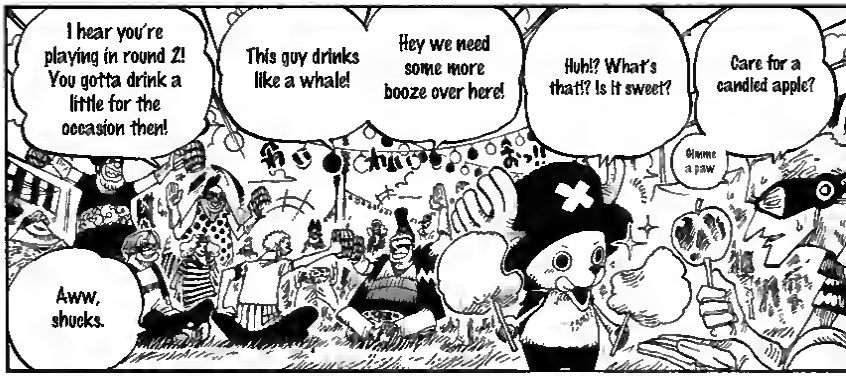
"Interference Strategy"



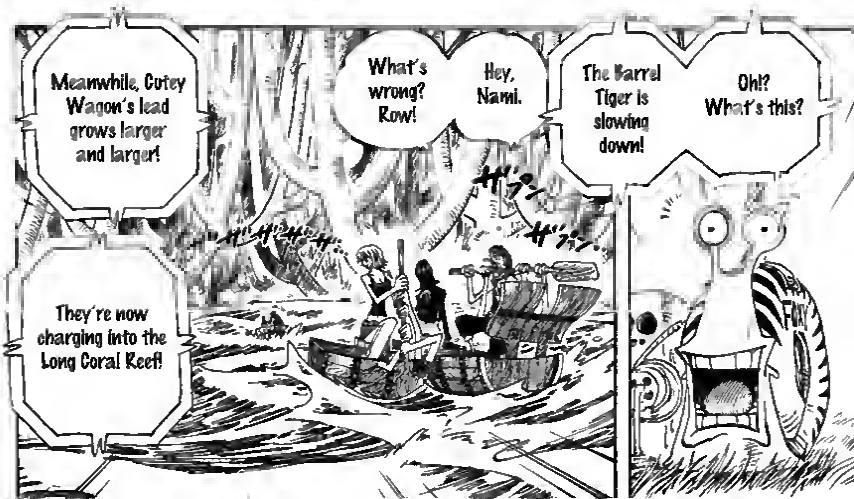
In the lead is Porche and her Cutey Wagon!
The race is starting to heat up as both teams near the Long Coral Reef blocking the course route!
And desperately chasing behind is Straw-Hat crew's Barrel Tiger!
Those corals are creating weird currents around them...!
...Look.
What's with those corals with long branches?
It'd be best not to charge in blind...
Monda! We're counting on you!
Ooh...! I can't believe the race still isn't decided yet!
SHA!

Our boss, "Foxy the Silver Fox!"
Feh Feh Feh!
ばん!!
Let's not forget the interfering trickster on the coast nearby...
And! And! AND!
ドドドド
ドドドド
Just what nefarious scheme could he be plotting!?
GOT IT, BOSS!
Run ahead of them, Hamburg!
No one can withstand my interference!
Come on, brother! Eat up!
Huh? Is someone trying to interfere again?
Only a matter of time now until we win!
This'll be quite something to look forward to!
GET 'EM, BOSS!

Haha, maybe I oughta let myself get Davy Back'd!
We'd love to have a cook like you on our crew.
のほほ
のほほ
SERIOUSLY!? THANKS A BUNCH!
FREE OF CHARGE!
Here's a plate of inari-zushi and a bowl of kitsune-udon!



I hear you're playing in round 2! You gotta drink a little for the occasion then!
This guy drinks like a whale!
Hey we need some more booze over here!
Huh!? What's that!? Is it sweet?
Care for a candied apple?
Gimme a paw
Aww, shucks.



Meanwhile, Cotey Wagon's lead grows larger and larger!
What's wrong? Row!
Hey, Nami.
The Barrel Tiger is slowing down!
Oh!? What's this?
They're now charging into the Long Coral Reef!

AH-
Monda!?
Wait!? Ooh! What's going on!?
Let's go, Monda!
W..
SHA!
What's going on!?
Ahh! The Cutey Wagon's on a reverse current!?
OOH NO!
SPLASH!
THEY'RE COMING BACK OUT!
I thought something was off about these currents.
Alright, time to raise our speed!
OOH NO!
SPLASH!
THEY'RE COMING BACK OUT AGAIN!
TRY AGAIN, MONDA! JUST WHAT'RE YOU DOING!?
SHAA!

Meanwhile, Barrel Tiger's on the move again!
Both boats are now in the coral reef!
No matter how many times Cutey Wagon enters the coral reef, she gets pushed right back out!
How bizarre!
SHA!
TRY AGAIN, MONDA!

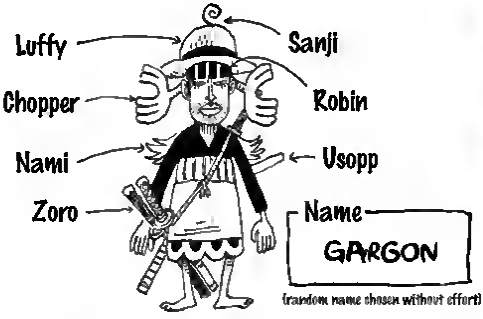
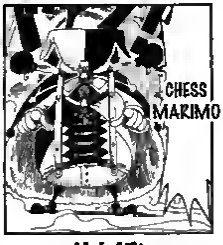
O :





Vol. 17's Miracle Combination

D: Greetings, Oda-sensei. I'm always enjoying your manga. Cutting to the chase, I have a question about the "monsters" in vol.32, chapter 299. At the highest peak of the Harz mountain ranges in Germany, located on the Brocken mountain, there's a phenomenon termed the Brocken effect. Was this what inspired your idea? Sorry if I'm wrong... In any case, please take good care and work hard! ♡ PN. Akiu

O: Yes, actually. It's also known as the Brocken spectre. Its caused by the same reason you see in my story, so it can also happen in Japan. Also, around the head of the shadow you can see a beautiful ring of rainbow light, which is known as a "goraigou," or "glory" in English. I'd like to see one with my own eyes, once. It must be cool.

Luffy, Zoro, Usopp, and Chopper ate some pastries that Sanji baked. Find out how many and what kind each ate, based on the information below. Do your best!

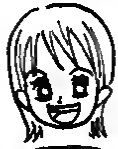
*Sanji and Nami didn't eat any.

I made two of each of the 5 flavours: Almond, chocolate, plain, raspberry!

Everyone ate different amounts, but we all had at least one pastry. Nobody had 2 of the same kind.

Me and Zoro both ate at least one same kind of pastry. The same goes for Zoro and Luffy. Ah! And the same for me and Luffy! (definitely not a lie)

Usopp didn't eat either the raspberry or plain pastries.



I didn't eat any, but I saw that Zoro didn't eat any almond or strawberry pastries.

I ate a raspberry pastry!

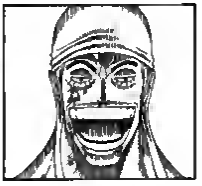
O: **YES.** That's because love can strike at any time to steal your heart away.
(Wow, I said something cool.)

D: Hello, Oda-sensei. I have serious suspicions, so forgive me if I pose a serious question. It's about the names of Enel's special attacks. It seems to me like many originate from the names of Scandinavian gods and Indian spirits. Can you please tell us what they all came from originally?

O: Yes. Well. The names came from a variety of sources. I can't tell you a whole lot of in-depth information, but in general it's pretty simple.
"El Thor" → Thor → God of War and Lightning in Norse mythology.
"Hino" → Hino → Giant Lightning Bird of the Iroquois natives of North America.
"Kiten" → Kiten → Japanese lightning beast.
"Julungul" → Jagtjadbulla → One of the Lightning Brothers in Arnhem Land (N. Australia) rock art
"Mamaragan" → Mamaragan → Lightning God of Central Australia
"Amal" → Amaru → A play on "amoru/amakudaru", which means "to descend from heaven". Japanese lightning-fall
"Kari" → Kari → Lightning God of Malay pygmy tribes



That should cover it. Also, "Vari" came from the sound of lightning "vari vari". So it was pretty much random. Not a real word in any language per se.

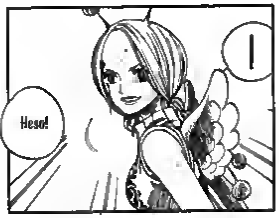
D: Oda-sensei, I have a question. In vol. 30, p. 70, Conis says, "I have to bring them back!!" and then "Heso!" If "heso" is supposed to mean "hello", then this doesn't make much sense... What exactly does it mean? I've been wondering so much that I finally wrote this postcard. Please tell us the answer.



P.N. Wanko

O: "Heso" can be thought of as the stock term for all Skypieans greetings. There's no one word/phrase in Japanese that completely corresponds to it. It can mean anything from, "good morning", "good day", "good evening", to "how are you feeling", "goodbye", "take care", among others. It really depends on the cotext. When they say "heso", you answer "heso". It's all in the context.

D: Hello, here's my question! If Tonjit-san was on those stilts for ten years... How did he go to the bathroom?! W... was it...? Please answer in TONJIT-ESE.

O: IN HIS PAAAAAAAANTS.

And now, to wrap things up...

D: SBS! WILL NEVER END!

O: NO, IT'S OVER! See you next volume!!

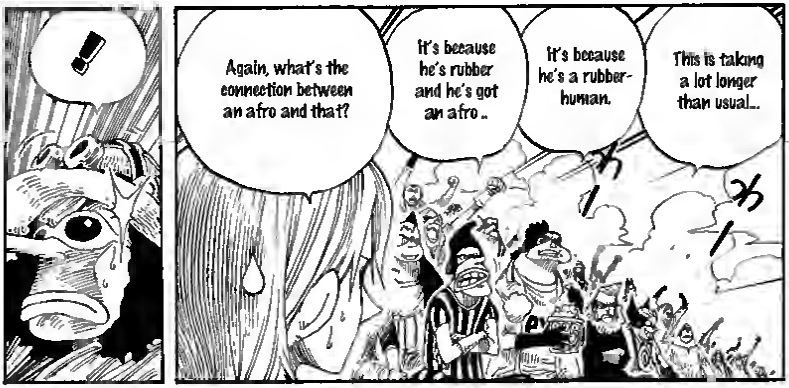
Even if it's not true, he sure does look stronger with it!
Why exactly do you think the afro'll power him up again?
Just being Luffy's enough of a reason to win against that fox...
Luffy'll win! Because of the afro!
That's right! It's Luffy, after all!
He won't lose...!



!
Again, what's the connection between an afro and that?
It's because he's rubber and he's got an afro..
It's because he's a rubber-human.
